How to Apply for Housing

1. Visit **swmich.edu/housing**.

2. Click the Apply for Housing button.

3. Log in with your SMC Wired credentials.

   Your Wired credentials are the username and password you received on your acceptance letter.

4. Click Application from the top menu and select the semester for which you are applying from the secondary menu that drops down.

5. Read the housing contract and sign at the bottom.

   This indicates that you agree to the housing terms and to get a background check and that you understand that your application is not complete until you pay the non-refundable $75 application fee.

6. Fill out the form.

   Note: If you need housing over winter break or have special needs, be sure to indicate so in the appropriate fields on the form. Students who need winter break housing will automatically be assigned to Jerdon Hall.

7. Use a debit or credit card to pay the $75 application fee.

   This fee is not refundable under any circumstances.

If you abandon the application at any point,

your changes will be saved, but your application will not be complete until you pay the fee. You can return to the application at any time to update your information and pay the fee.

After you complete the application, be sure to update your addresses, emergency contacts and roommate profile by clicking Personal Information from the main menu bar. You will also use the housing portal to select roommates and view your room assignment and housing bill.

Applications are due May 31. The first round of roommate pairing will occur on June 1. To qualify for room reservations you'll also need to be registered for fall classes. Housing is assigned on a first-come, first-serve basis and is not guaranteed.

» If you have any questions about the housing application, email **housing@swmich.edu**.
